**I. BASIS FOR JURISDICTION**

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation, and the amount in controversy is more than \$75,000, is a diversity case. In a diversity case, no defendant may be a citizen of the same State as any plaintiff.

What is the basis for federal-court jurisdiction in your case?

## III. STATEMENT OF CLAIM

Place(s) of occurrence: Bronx, Brooklyn, New York

Date(s) of occurrence: 2016-2019

## FACTS:

State here briefly the FACTS that support your case. Describe what happened, how you were harmed, and what each defendant personally did or failed to do that harmed you. Attach additional pages if needed.

Retaliation and vengeance. Yes it is. I believe and discern a couple people of the opposing party had knowledge of the contents in two (2) complaints I was about to file. I knew they saw the end for them. I saw two key people from different agencies acting as ring leaders in this latest mazoneride/massacre. In retaliation they set out on a destructive and inanimate warpath to destroy my family and <sup>deplete my</sup> finances.

My baby girl is dead. She has been tranquilized a few days now. A month ago I was shown and heard how it was going down. Jesus said "lil indian rock" has already arrived to deliver".

FACTS 2

to the lawyer who in turn can give to me <sup>today</sup> this little help can hold back the mountain.

Yesterday into the early morning hours mostly financial processing was done ~~by~~ the opposing parties. It got me drained and weary because there were so/ too much. I was so frustrated by the process no one said "finish" after they were done. Others came in and on the train and began to process their orders.

I was frustrated because all I was hearing was dangling/jingling keys and then they walk away with the key after processing. They did not deliver babies on keys only money they came and took. Sex was not discussed but wow, it was staring you/me in the face. My non sexual activities with them made them retaliate more so. An african man said "he lived alone in the Bronx and had 2 wives in another country."

On Sunday morning government tried to make me believe I was losing it, nothing, crazy and had a low self-esteem. Government took my money hostage. Government tried to make me commit suicide. I heard clearly someone said "why don't you throw yourself under a train".

Government tried to make my 15yr son see/ view me as a bum. On the other hand they were uplifting G's son to take control of my house. They program my mind to the highest point. I found myself saying yes I'll add G's son to the list and heading to Brooklyn after reading a sign that said "Brooklyn".

~~I said~~ Government brought my private life and made a game out of it again. It is the second time it ~~was~~ happened. They appear to me to be lawless and knows no boundaries. I noticed

## FACTS 3

I noticed three (3) people were upset when I did not deliver and on stopped work. I saw 2 people discussing me with my discharge papers. I was never given a copy. I heard myself say "what am I doing". Even though I was discharged I was never given a copy. Even though I was discharged the government set triggers to go off at specific times in me. In other words they never let me go. I knew it was vengeance and retaliation for my previous filed complaints, mainly the last two.

On Saturday I passed other caregivers who just wanted a piece of the pie. of the pie. They were passing babies off as if those were mine. They said "let us give them baby-talk". Those people stole and kept holding on to my babies for profit.

I paid a price already for my babies. Why did you do that? They were being marketed. I saw names like Twins basically DNA for wear and Blood and Thunder, Jack and Jones etc.

On Saturday I awoke and found myself amongst a lot of dogs and "aliens". How did that happen? I'll never do that in my right mind. Can I say anything I did not do consciously I count it null and void.

Government knows how to apply pressure. I knew they wrote me off at the same time. They were telling me to get down the voting cost - the cash was dwindling. Follow the winner the TShirts sign showed. People started following me by the/in large numbers.

FACTS (4)

Dig deep, dig one deep hole/grave and bury it all. This was once said to me. May I suggest it again? Attempts were made to deliver but I got nothing. I noticed a man on the platform before he showed me keys. He appeared to be very jealous like a sensual type/nature. I told him it was too late to do payment processing for the keys (10:15pm)

As I dozed on Saturday night there was a man speaking about the money and who got a lot out of it. Another man was on the platform wearing a cool T-shirt labelled #27. He pointed to the number and showed me. I knew it was 27 million he received from the swindle.

People acted as though I was a robot (inanimate). These people were shoving food down my throat, I knew was going to make me sick and wanted me to eat it. To add insult to injury I believe they did not speak English. How could I possibly do business with people like these.

How could I possibly get into a house the reactor have not told me about and on I have no idea about. Does this only happen to immigrants? A lady passed wearing a T-shirt with a picture of my face. On my head was a basket of flowers + fruits on the spot. Another girl crossing by saw it and said that is when you get accepted. That was how I put one and one together and deciphered I was waiting ~~my~~ to get into my apt/house.

FACT (5)

Ready made tailor done. While I was sitting waiting coincidentally a woman passed by and invited me to a church/DYNAMIS where I was going to "live." Talk about keeping money in the clan. I ~~awoke~~ from my slumber. I am a generous titan. They did their homework well. My calling is to build a church for the glory of God it is not to be programmed to worship at a specific place to keep money in the clan. This is not a dictatorship country. God gave every one a free will to choose.

They made me pay for things like family reunion. I was programmed to go to Prospect Park where the family reunion was being held on Saturday. Prospect Park is a little Oculus. Upon observation the employee fished out my urine from the restroom. They processed payments like what's presently occurring. They made sure they got their money back. I have filed at least 2 complaints against Prospect Park / Le Frak.

I sat and watched people going by in Brooklyn yesterday (Saturday). I saw them differently now. Before I could not see some hidden stuff. These people are taking over certain sectors of Brooklyn too. People with Zoid personalities and feelings hired by government were taking off humans like nothing and very fast. We would not tolerate it any longer. I have prophetically seen women dragged deep down into holes and covered with dirt after being butchered.

They are experimenting on us and leaving our children sick and with diseases.

FACTS (6)

A infant mexican boy had nanny here ~~just~~ <sup>saturday</sup>.  
Imagine hot summer and he very very sick. The  
most expensive real estate are owned by them.  
They look after their ~~test~~. Our families are being  
replaced / extinct. I am pleading with the right  
people we cannot let this invasion happen.
